

Planning an outing for Beaver Scouts

Item Code FS155052 Aug2002 Edition no 1

0845 300 1818

Outings and visits are an important part of the Beaver Scout Programme. The Colony leadership team is encouraged to offer at least one day or evening visit in each three to four month planning cycle and a variety of types of visit during the two year life of a Beaver Scout.

Up to 5 visits of over 2 hours a year to unregistered venues are permitted under the Children Act (1989). Unregistered venues are likely to be campsites, school fields etc. Please note that there is no restriction on the number of visits to public places that are registered with OFSTED such as zoos, theme parks and museums.

Where shall we go?

Your Assistant District Commissioner (Beaver Scouts) will be able to advise you about local possibilities and the potential of joining in with other Colonies. There are many places to visit:

Leisure Centre	Zoo
Camp Site	Coastguard
Country Walk	Model Village
Theme Park	Craft Workshop
Farm	Museum
Wildlife Park	Stately Home
Countryside Park	Nature Trail
Town Trail	Castle
Science Park	Lifeboat Station
Fire/Police/Ambulance Stations	

What facilities does it offer?

A pre-visit is essential to assess any potential dangers and familiarise yourself with the layout.

Check: toilet facilities; boundaries and out of bounds; refreshments/picnic areas; souvenir shops; opening and closing times; play spaces and playgrounds; programme possibilities; length of time needed for visit; first aid provision; wet weather options.

How should we get there?

You will need to decide if it is most appropriate to walk or use cars, public transport, train, tube, coach or mini-bus. A number of factors will help you decide - the distance of travel, the time of travel, the cost of travel, the relative safety of travel.

It is essential to satisfy yourself that the arrangements made are safe and sensible, and that parents/carers know exactly how their child is to be transported. As Leaders, you can only do your best to provide the safest method of transport available. It is for parents/carers to decide if they are satisfied with the arrangements. Parents/carers offering transport should be asked to confirm that their insurance can cover other people's children traveling with them. It is advisable not to put Beaver Scouts in the front seats of cars if at all possible.

Who can help?

Beaver Scout outings are strongly recommended to have one adult to every four Beaver Scouts and for each Beaver Scout to know which is their particular adult for the day. It is recommended that the Confidential Enquiry process is initiated in respect of any additional parents/carers or friends who volunteer to help out. See page 48 in Scouting essentials for more information about the CE process.

Do we need insurance?

A personal accident and medical expenses insurance policy exists to cover the total Membership of the Association. Non-members such as parents/carers, supporters and other children are not provided with the same automatic basic cover although this can be arranged. It is wise to consult with your Group Scout Leader to consider expanding cover by supplementary insurance. Details are available from:

In addition the Scout Association's legal liability insurance policy provides cover for Commissioners, Scouters and other persons authorised to be in charge of, or assist with, Scout activities. This is for claims made by Members under their control, or their parents/carers, or by third parties alleging legal liability arising out of accidents or incidents,

occurring during any authorised Scout activity. The policy does not automatically cover legal liability arising out of the ownership or operation of motor vehicles.

Who should be informed?

Your Group Scout Leader should be fully informed about the plans for any outing. In addition it is necessary to establish a Home Contact for the visit. This should be someone who is not related to anyone on the outing.

See Section page 54 of Scouting essentials for more information on Home Contacts.

How much will it cost?

Usually Colony outings will be self-financing it is important to calculate the likely costs accurately. Costs will include transport, entrance fees, refreshments and any equipment required.

A policy will need to be agreed, with the Group Executive Committee, on how much Leaders will be expected to pay, if anything. Leader costs may be subsidised by the Group Executive or be spread among the Beaver Scouts taking part.
